## **VISION Relocation Group Gives Back to the Community**

***Chantilly, VA (June 8, 2009)*** – Employees of VISION Relocation Group<sup>®</sup>, a leading global relocation management and consulting services firm, recently participated in the company's 11<sup>th</sup> annual company-wide community service day.

On June 3 employees volunteered their time and energy at one of four nonprofit organization sites throughout Fairfax County, VA. Volunteering projects included cooking meals for the Ronald McDonald House in Falls Church, VA; while others chose to walk and bathe special animals at the Fairfax County Animal Shelter in Fairfax, VA.

“It's positive to see so many employees giving back to the community. It gives us all a wonderful sense of satisfaction to contribute to a worthwhile cause, especially when it is in our own community,” says Rebecca Spencer, president of VISION. “Community service day was originally held when employees showed a strong interest in becoming involved with nonprofit organization activities as a group.”

One of many volunteers, Lisa McKee, client information and integration manager, assisted with yard cleanup, and worked to help socialize animals at the Fairfax County Animal Shelter. “People do not realize the impact that our slow economy has on pets; the shelter was a full house,” stated McKee. “Animals are forced into shelters for a number of reasons: the homeowner loses their home or can no longer afford to care for their pet, and it is very sad to see.”
